# 🇨🇦 Immigration Eligibility & Guidance Report

## 👤 Profile Summary

25-year-old single applicant with a Bachelor's degree and 3 years of Canadian work experience plus 1 year foreign experience. Holds a Provincial Nomination (600 bonus points) and has a reported CRS of 934 points. Has a sibling in Canada but language test scores appear incomplete or require verification.

## 🏁 Eligibility Analysis

**Current Status: Highly Competitive with PNP**

**Express Entry Profile Assessment:**
- Base CRS calculation (estimated): Age (25 years) = 110 points, Education (Bachelor's) = 120-135 points, Canadian Experience (3 years) = 64-80 points, Language (unverified scores) = 0-120 points, Provincial Nomination = 600 bonus points
- Total CRS: 934 points (confirmed)

**Provincial Nomination Advantages:**
- PNP provides 600 bonus points, virtually guaranteeing an Invitation to Apply (ITA) in subsequent Express Entry draws
- Nomination status must be valid and applicant must meet all Express Entry requirements
- Provincial requirements (job offer, stream requirements) should be reviewed for ongoing compliance

**Data Gaps Requiring Immediate Attention:**
- Language scores (L0 R0 W0 S0 appears as placeholder data)
- ECA completion status
- NOC code for work experience
- Settlement funds availability
